

T/9x

Special Edition

A Subwoofer That Looks as Fast as It Sounds

Introducing the T/9x Special Edition – where the thrill of iconic motorsport colors meets the precision of high-performance audio engineering. Adorned in striking hues of French Racing Blue, Green With Envy™, Italian Racing Red, Le Mon™ Yellow, Tangerine Dream, each T/9x SE is not just a subwoofer but a statement piece that commands attention. Polished chrome and carbon fibre accents and a sleek carbon fibre center cap amplify its bold design, merging aesthetics with function in a way only REL can deliver.

Beneath its stunning exterior lies advanced engineering. The carbon fibre center cap enhances rigidity while reducing the driver's moving mass, resulting in a faster, more responsive performance with an audible 1.2 dB increase in output.

At its core, a robust 300-watt Class A/B Monoblock amplifier delivers every beat, note, and nuance with precision and power. This combination of a high-performance driver and reliable amplifier ensures that the T/9x SE offers a listening experience as dynamic and refined as its appearance suggests.

The T/9x Special Edition isn't just about owning a subwoofer; it's about owning a piece of audio art that speaks to the heart of performance and style. This is your opportunity to elevate your sound system with a subwoofer that looks as fast as it sounds. Don't miss out—secure your T/9x Special Edition today.

Specifications

Type

Front-firing active driver,
down-firing passive radiator

Active Driver Size & Material

10 in. (250mm) long-throw,
FibreCarbon™ cone, inverted Carbon
Fibre centre cap, steel chassis

Passive Radiator Size & Material

10 in. (250mm) long-throw,
FibreAlloy™ cone,
inverted alloy centre cap,
steel chassis

Low Frequency Extension

-6 dB at 27Hz

Input Connectors

Hi Level Neutrik Speakon,
Low Level (1) RCA, (1) LFE RCA

Output Connectors

N/A

Power Output

300 watts (RMS)

Amplifier Type

Class A/B

Wireless Capability

REL Arrow system [required],
sold separately

WxHxD, Including Feet & Rear Panel Controls

14.5 x 13.4 x 15.5 in.
(370 x 340 x 393 mm)

Net Weight

45.5 lbs. (20.6 kg)

Finish

French Racing Blue Lacquer,
Green With Envy™ Lacquer,
Italian Racing Red Lacquer,
Le Mon™ Yellow Lacquer,
Tangerine Dream Lacquer,
7 coats
